

RM-ATS series

Automatic transfer switch

RM-ATS01

Technical data:

Rated supply voltage:AC80V~300V 50/60Hz

I setting range:1-/63/80/100A

Umax setting range:120-300V

Umin setting range:80-210V

Accuracy Class:±(1%FS+1 digit)

Auxiliary Power:no

Function:

automatictransfer

priority phase

V/Aprotection

Dual Power Transfer Switch

RM-ATS02

Technical data:

Rated supply voltage:AC80V~300V 50/60Hz

I setting range:1-/63/80/100A

Umax setting range:120-300V

Umin setting range:80-210V

Accuracy Class:±(1%FS+1 digit)

Auxiliary Power:no

Function:

automatictransfer

priority phase

V/Aprotection

Three Power Transfer Switch

RM-ATS03

Technical data:

Rated supply voltage:AC80V~300V 50/60Hz

I setting range:1-/63/80/100A

Umax setting range:120-300V

Umin setting range:80-210V

Accuracy Class:±(1%FS+1 digit)

Auxiliary Power:no

Function:

automatictransfer

priority phase

V/Aprotection

Dual Power Transfer Switch
